FROM: FEBRUARY WEEKEND

dreams are  
fortunate  
tonight  
but visions  
waste me  
shattered  
competition  
with some  
gallant  
stretch of  
past  
past  
embrace  
past  
immobile  
in its  
coves  
becalmed and  
washed ashore  
awash  
alluring  
heaven  
beckons
