VOLUME 6, NUMBER 4

JUNE 1981

board feet
 pig scratch and seat
rubber members
 chronicled endeavors

due rates of care
appreciate or beware

layers alone
 leather bound gilt tome
fear betrays
 ambition's outrage

RADIO COUPLETS

cratered pond
 swimmers pass beyond
exhausted sentience
 demented repentence

cigarless skies
lampless lies

wednesday's parole
 walking crepe heel and sole
gradual gowns
 smileless and reknowned
